2017,6 -2017,8	Biological Medicine to study avian influenza and poultry's diseases detection Internship, lab assistant at Weill Cornell Medical College to study the roles G3BP1 protein in prostate cancer

COURSE TAKEN

- ❖ Biostatistics Methods
- ❖ Data Science
- ❖ Probability
- ❖ Epidemics
- ❖ Bioinformatics
- ❖ Business Analytics
- ❖ Calculus
- ❖ Biochemical Techniques Laboratory
- ❖ Recombinant DNA Laboratory
- ❖ Human Diseases
- ❖ Nutrition
- ❖ General chemistry and Laboratory
- ❖ Genetics
